Principal's Message

Principal's Day

Apparently, last Friday was Principal's Day. I hadn't caught up with this piece of news, so it was a very pleasant surprise for me on Wednesday of this week when I was asked to come to the office during morning recess. At the time I was enjoying the sunshine while watching the students shooting hoops down on the basketball court, and I thought, "What could possibly have gone wrong? All of the students are right in front of me. Is there somebody on the phone? Has the computer network died?"

I reached the office and Sue Paulin smiled and handed me a plate of scones with jam and cream and some slice that the students and Sandy Walter had cooked that morning. I was very chuffed by the whole thing. Thanks to Sue and Sandy and the students.

Swimming Program

Our annual swimming program will be held in the last week of term – as per usual. We will be having lessons in the afternoons except for the Monday, when we will be at Upper Yarra SC. Monday's session will be in the morning.

The actual session times have not been finalised yet, but we will let you know as soon as we find out.

Transport to the Yarra Centre will be by private car, so we have saved an enormous amount of money through not having to hire a bus. As a result, we are able to provide the entire program free of charge.

(We have money provided by the Bendigo Bank that was earmarked for bus hire.)

CALENDAR

September	
Friday 11th	Don Valley PS CBL Day
Monday 14 th	Upper Yarra SC Technology Visit
Monday 14 th - Friday 18 th	Swimming Program
Friday 18 th	Term 3 Ends

NOTICES SENT HOME

Notice	Due Back
Don Valley CBL	Wednesday 9 th Sep.
Upper Yarra SC Visit	Thursday 10 th Sep.
Swimming Program	Wednesday 9 th Sep.

Technology Excursion

In the last couple of weeks we have done a great deal of technology work here at Yellingbo. The students have been given problems and challenges to solve using designs of their own and simple materials such as newspapers and pop sticks. I happened to be talking about this to the principal of Upper Yarra and she suggested that some of her VCAL students may be able to do some work with our students in their technology area. So... off we go to Upper Yarra on September 14th.
